

SINE WAVE ENERGY STORAGE POWER SUPPLY

Multiple security protection,use more assured

With short circuit, over charge, over discharge, over temperature, over voltage, extreme low power AI software, etc., eight protection over temperature, overload LED display will warn in time.

Pure sine wave non-destructive electrical apparatus

Emergency power outage backup, pure sine wave inverter compatibility is stronger, non-destructive appliances fear no power outage, emergency worry.

High light LED lights illuminate the night

1 can solve the camping lighting mobile phone digital, small electrical appliances and other electricity problems.

Solid and reliable good quality

Power core, 9 quality inspection to ensure the safety of electricity and cycle longer life, more durable.

PORTABLE POWER STATION

700W

AC Output/Capacity
700W / 613.2Wh
Surge 1200W

1* DC 120W Panel

600W

AC Output/Capacity
600W / 408.08Wh
Surge 1000W

500W

AC Output/Capacity
500W / 298.62Wh
Surge 600W

Supply specification
500W/600W/700W/1000W

Optional color
Orange/grey/silver

PRODUCT CORE PARAMETER

Battery capacity	153600MAH
G.W.	6.6KG
Dimension	27.5*17*21.5CM
Carton box Size	31*21.2*29.2CM
AC output	100V-5A 50HZ-60HZKeep 600W Peak value 1500W
USB ports	2*5V=2.4A[QC3.0] 5-12V 18W
Car charger output	12V-10A
AC rated output	500W
Battery	Lithium battery
Cycle Life	≥ 800
Service temperature	-10-40°C
DC input	20V-5A[support 12V-24V]
